

Yoder Lumber™
Quality is Our Tradition

VERTICAL INTEGRATION

PROVIDES YOU BENEFITS

Start

Foresters

Our professional foresters will work with you to develop a customized harvest plan that improves the integrity of your land and conserves your future woodland assets.

Tree Selection

Trees are selected and marked for removal based on several factors, such as: size, quality, as well as the trees impact on the surrounding smaller trees and land.

Harvesting

Our award winning logging crews are highly skilled at cutting and removing the selected trees. Great care is taken to restore logging paths and surrounding land after harvest.

Drying

With an 800,000 b.f. pre-dryer and 500,000 b.f. kiln capacity, we have an annual production of 13 million b.f. of kiln-dried Hardwoods.

Sawing

Our two large modern sawmills produce over 12.5 million b.f. of Appalachian Hardwood lumber annually.

Veneer Sales

Rolling Ridge Woods is a premier Hardwood veneer log supplier dedicated to providing superior veneer logs to our customers worldwide.

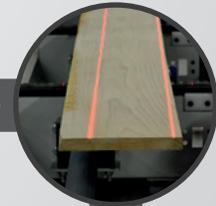

Grading

All lumber is carefully sorted and graded according to NHLA standards.

Hardwood Sales

We produce the highest quality Appalachian Hardwoods in the region.

Millwork

Our capabilities include planing, straight line ripping, resawing, and precision end trimming.

WIDE SELECTION OF PRODUCTS

THE RESULTS OF INTEGRATION

S4S

Our dimensional Hardwood lumber or S4S is surfaced on 4 sides and readily available in cherry, hard maple, soft maple, red oak and poplar.

Mouldings

Our company has over 800 custom profiles available. Provide us with a sample and we can replicate a moulding to your exact specifications.

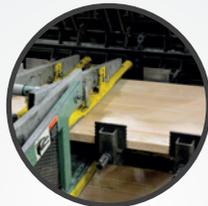

Live Sawn Boards

Our live sawn boards provide a unique characteristic of Hardwood, representing flat, rift and quarter sawn in the grain pattern.

Live Edge Slabs

Our inventory of over 500 live edge slabs are available in a wide variety of species, lengths, thicknesses and styles.

Glue Up Panels

Our customized glue-ups can produce panels up to 16 feet in length and 40 inches wide.

Stair Treads

Our solid Hardwood stair treads are available in standard or custom dimensions and each tread is color matched for uniform consistency.

Table Tops

Our restaurant table tops are designed to meet your specifications and are offered in styles of solid wood, butcher block and distressed.

Delivery

Our dedicated fleet of delivery trucks and trailers can transport directly to your warehouse, factory or store.

Satisfied Customers

Our goal is to provide top notch service and the highest quality products for all your Appalachian Hardwood needs.

Four Strategic Locations.
